MESSAGE

It gives me great pleasure to present the 24ᵗʰ Annual Report of National Institute of Electronics and Information Technology (NIELIT) together with the Audited Statement of Accounts and Auditor's Report for the FY 2018-19.

Skills and knowledge are the driving forces of our Nation's economic growth and social development. India is emerging as a hub of the skilled manpower in field of IECT. Emerging technologies are creating boundless opportunities and competitiveness in the field of IECT.

MeitY has identified various emerging technologies viz Artificial Intelligence, Blockchain, Robotics Process Automation, Cloud Computing, 3D Printing, Internet of Things, Big Data Analytics etc. under Future Skills, wherein end-to-end re-skilling/up-skilling framework is institutionalized to cater the needs of the IT workforce of the country. The programme is designed to transform the skill ecosystem in the country by converting traditional skilling techniques to more contemporary new age learning and training methods, which can help beneficiaries to attain suitable skills.

NIELIT has been playing a major role in fulfilling the Skill Development initiatives for technologies identified under Future Skill programme of MeitY. With a focused approach, NIELIT has been constantly striving to support 'Digital India' through its specialized services and plethora of formal and non-formal courses, which cover a wide geographical span across the country.

I wish NIELIT greater heights in contributing to the development of the Nation & its citizens.

MESSAGE

On perusal of 24th Annual Report of National Institute of Electronics and Information Technology (NIELIT) together with the Audited Statement of Accounts and Auditor's Report for the year FY 2018-2019, I am glad to see the growth NIELIT has achieved during the last year.

Ministry of Electronics & IT (MeitY) and its organizations, through various programmes are working actively towards expansion of the Hon'ble PM's vision of Digital India and in this direction, NIELIT is contributing immensely by imparting qualitative education in the field of Electronics and IT.

It is evident from the report that NIELIT is tirelessly putting its best efforts for its progressive expansion in India while adopting new methods of learning / teaching especially in emerging technologies. The progress in digital literacy is contributing towards achieving the objectives of Digital India.

I am happy with the initiatives taken by NIELIT especially that of Future Skills, that are potentially setting up the stage for scaling up Indian economy to a 'Trillion Dollar economy'. The efforts being put-in by NIELIT towards development of qualified human resource in emerging/future technologies in the area of Artificial Intelligence, Cloud Computing & Virtualization, Internet of Things (IoT), Cyber Laws/ Security, Big Data Analytics, Robotics, 3D Printing, ESDM, e-Waste and related verticals, are praiseworthy.

I am sure that NIELIT will continue to foster existing capabilities by adopting multi-pronged approach of skilling and achieve new milestones in attaining the vision of Digital India leading towards greater employability. I wish NIELIT greater success in its future endeavours.

MESSAGE

The rapid change in the field of Electronics and Information Technology is playing a great role in transforming India into a digitally empowered knowledge economy.

Developments in the world of technology have ushered in a Digital Revolution. This Digital Revolution can be seen as 'Fourth Industrial Revolution' powered by fusion of technologies that is blurring the lines between physical and digital spheres fuelled with exponentially rising smartphone users. The advancements in the world of electronics have helped in reducing the cost of smartphones leading to the increased proliferation of Internet and increase in demand for new products and services. These new innovations based business models would need the skilled workforce in latest technologies and I am confident that NIELIT would be a significant contributor with its wide repertoire of courses in advanced and emerging technologies.

It is praiseworthy that NIELIT has wide offerings in cutting edge technologies in the areas of Cyber Law, Cyber Security, IPR, GIS, Cloud Computing, ESDM, IoT, e-Governance and related verticals. On the other hand, NIELIT has also been instrumental in bridging the 'Digital Divide' through its bouquet of Digital Literacy courses, and is recognized as one of the authorized examination agencies under PMGDISHA. NIELIT has added value in delivery of Digital literacy courses by conducting examinations in the Online mode and issued e-certificates on completion bearing a QR code for online verification.

NIELIT has also taken path breaking steps to augment internal capacities through training of Master Trainers in niche areas such as Mobile Application Development, Cloud Computing, IoT, e-Waste, Cyber Security, Mobile Handset Design, etc. in synergy with industry leaders like Amazon, Google, Intel, Microsoft, etc.

I wish NIELIT a great success in its journey.

MESSAGE

Over the years, technology has revolutionized our world and daily lives. The recent advancement in technologies and its growing impact on business & society and the rising skill requirements have fueled the need to transform ourselves in order to keep pace with this trend of increasing business orientation. The digital disruption spread across the world has stressed on the importance of good education managing the process of working in the future. Today, technology represents a way to foster economic development, improve levels of education and training, as well as address the emerging issues within society. Our country is promisingly poised to take advantage of this gathering storm of opportunity.

The Ministry of Electronics and Information Technology, (MeitY) has taken various steps to bridge the skill gap requirements through its various skill development initiatives across the country. NIELIT, being a HRD arm of MeitY, has taken proactive measures to support building up a skilled workforce through its specialized programmes and a plethora of formal and non-formal courses in the area of Electronics & Information Communication Technology (E&ICT), which covers a wide geographical span across the country. Besides capacity building services, NIELIT is also engaged in augmenting R&D initiatives, conducting third party examinations and providing consultancy services in related fields.

To further strengthen NIELIT's PAN India presence, new Extension Centres have been inaugurated at Mandi, Himachal Pradesh and at Majuli, Assam during 2018-19 which are already rolling out various training programmes at present. The Hon'ble Union Minister, (E&IT, C, L&J) has also laid the foundation stone of another Extension Centre at Buxar, Bihar.

With increasing geographical presence, NIELIT has demonstrated expertise in carrying out various capacity building initiatives across the country. During 2018-19, NIELIT Centres have successfully completed training of 10,000 State Government Officials on IT & Digital Services in the eight states of North East with financial support from DoNER, GoI. Also, under the Phase II of e-Waste Management Project, NIELIT has successfully completed training of 3500 Government Officials on e-Waste Management in 19 identified States.

On the R&D front, NIELIT has successfully completed the Tape-out of the Array Signal Processor at Semi Conductor Laboratory (SCL) Mohali, Punjab. Establishment of an Anti-Spam Coordination Centre by NIELIT has been successful for collection, analysis and exchange of information about spam mails. NIELIT is also developing an Indigenous Color Doppler Ultrasound Machine.

I am delighted to share that NIELIT has achieved a turnover of Rs.438.58 Cr. during 2018-19, as compared to the previous year turnover of Rs. 383.47 Cr. NIELIT, will continue to deliver the best with the support and guidance of MeitY, keeping in mind the objective of creating a digitally empowered Nation.

HIGHLIGHTS

A. ORGANIZATION MANDATE

National Institute of Electronics and Information Technology (NIELIT), is an Autonomous Scientific Society under the administrative control of Ministry of Electronics and Information Technology (MeitY), Government of India. NIELIT is actively engaged in Capacity Building and Skill Development in the areas of Information Technology (IT); Electronics; Communication Technologies; Hardware; Cyber Law; Cyber Security; GIS; Cloud Computing; ESDM; e-Waste; IoT; Big Data; Block Chain; Data Analysis, e-Governance and related verticals. It offers courses both in the Formal as well as the Nonformal sectors and is also one of the National Examination Bodies which accredits institutes/ organizations for the conduct of courses in the Non-Formal Sector. NIELIT is also rolling out IT Literacy Programmes for many State Governments for its employees and the masses.

NIELIT is functioning under the overall control and guidance of the Governing Council. The Hon'ble Union Minister for Electronics and Information Technology (E&IT) is the Chairperson of the Council whereas Hon'ble MoS (E&IT) is the Deputy Chairperson with its members from Government, Industry, Academia and representatives of various professional bodies.

The **Management Board** of NIELIT is chaired by the Secretary, Ministry of Electronics and Information Technology (MeitY), Government of India. Each NIELIT Centre has an **Executive Committee** consisting of representatives from respective State Governments, academic institutions and industry for the effective implementation of the decisions of the Board and the Council.

The Finance & Accounts (F&A) Committee of NIELIT is chaired by the Director General, NIELIT and the Committee assists the Governing Council by recommending the Budget Estimates / Revised Estimates and other finance related matters. The Committee is also mandated to scrutinize the Audited Annual Accounts before its submission to the Governing Council for adoption, besides appointment of Auditors. Director General NIELIT is the Chief Executive Officer of the organization. He is supported by Registrar, CFO, CoE and Joint Directors of Technical Wing at HQs and Executive Directors/Directors at Centres level.

The Academic Advisory Committee (ACC) is chaired by an eminent Academician with its members drawn from Academic and Industries and is the Advisory Body on the academic activities of NIELIT.

The Vigilance department of NIELIT is headed by the **Chief Vigilance Officer (CVO),** a senior officer from MeitY. The CVO is assisted by Vigilance Officers at all Centres and also at NIELIT Headquarters.

In order to promote transparency and accountability, mandatory provisions of the Right to Information Act (RTI) have been implemented in the Institute with effect from July 2005. **The Public Information Officer (PIO)** at Headquarters, as well as, PIOs at all NIELIT Centres have been appointed, as per the requirement spelled out under RTI Act. To deal with the requests under RTI Act, internal procedures have been formulated and the mandatory information has been hosted on the NIELIT website (www.nielit.gov.in). Registrar, NIELIT has been appointed as the First Appellate Authority under RTI Act. With a view to bring excellence in public service delivery and to redress grievances of citizens in a meaningful manner, NIELIT has also appointed a **Public Grievance Officer (PGO),** in line with the guidelines promulgated by Department of Administrative Reforms & Public Grievances. The statutory instructions for use of Hindi are being complied in accordance with region wise locations of NIELIT Centres.
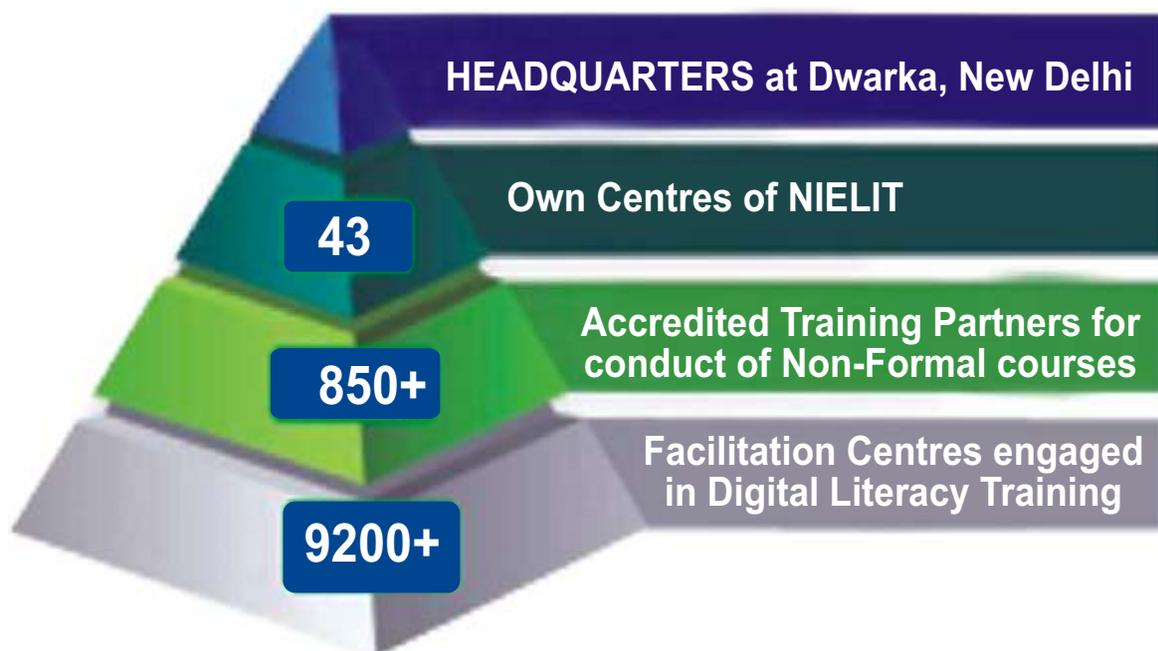

As on date, NIELIT has PAN-India presence through a network of **43 own Centres** at Agartala, Aizwal, Ajmer

(Kekri), Alawalpur, Aurangabad, Bhubaneshwar, Calicut, Chandigarh at Ropar, Chuchuyimlang, Churachandpur, Chennai, Delhi, Dibrugarh, Gangtok, Gorakhpur, Guwahati, Haridwar, Imphal, Itanagar, Jammu, Jorhat, Kohima, Kokrajhar, Kolkata, Kurukshetra, Lakhanpura, Leh, Lucknow, Lunglei, Majuli, Mandi, Pali, Pasighat, Patna, Ranchi, Senapati, Shillong, Shimla, Silchar, Srinagar, Tezpur, Tezu and Tura, with its Headquarters at New Delhi.

F. DIGITAL LITERACY

LEVEL 1 **(ACC)** - 20 hours

LEVEL 2 **(BCC)** - 36 hours

LEVEL 3 **(CCC)** - 80 hours

LEVEL 4 **(CCC Plus)** - 126 hours

LEVEL 5 **(ECC Plus)** - 200 hours
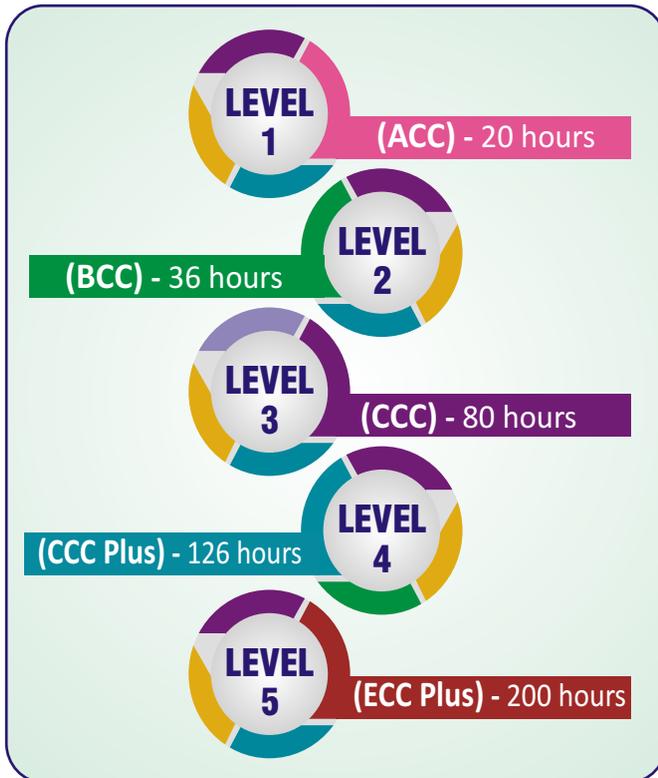

Digital India is a campaign launched by the Government of India to ensure the Government's services are made available to citizens electronically by improved online infrastructure and by increasing Internet connectivity or by making the country digitally empowered in the field of technology. Digital Literacy refers to an individual's ability to find, evaluate, produce and communicate clear information through various digital platforms such as smart phone, laptops, desktops etc. Digital Literacy helps people to use technology in complementing their daily routine and become more productive.

NIELIT as the HRD arm of MeitY, is making efforts to bridge the 'digital divide' through its IT Literacy Courses leading to employability of youth, especially for the marginalized section of the society. NIELIT has a range of Digital Literacy courses, namely Awareness in Computer Concepts (ACC – 20 Hours), Basic Computer Course (BCC – 36 Hours), Course on Computer Concept (CCC – 80 Hours), Course on Computer Concepts Plus (CCC Plus – 126 Hours), Expert Computer Course (ECC – 200 Hours) which are recommended for effective proliferation of Digital Literacy in the country and many State Governments have also recognized these courses for employment/ promotion/ increment purposes. The digital literacy courses of NIELIT especially, BCC/ CCC are accepted by the various State Governments/ Government Departments such as Arunachal Pradesh, Bihar, Chandigarh, Daman & Diu, Gujarat, Maharashtra, Mizoram, Rajasthan, Sikkim, Tripura, Uttar Pradesh, O/o the CGA, DGE&T etc. for recruitment/ in-service promotions/ incentives etc.

Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of these Consolidated Financial Statements* section of our report. We are independent of the society in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw your attention towards note 3 of schedule 25 regarding provision for bad and doubtful debt and note 5 (c,d,e,f,g,h) of schedule 25 of the financial statements regarding the current status of National Population register and note number 11 of schedule 25 regarding compilation of only material notes in the consolidated financial statements. Further attention is drawn towards Note number 7 of schedule 25 regarding on going process of confirmation of debtors, creditors and loans & advances stated in the financial statements. Further attention is drawn towards Note number 12 of schedule 25 regarding pending reconciliation of tax deducted at source with the form 26 AS issued by income tax department. Further attention is drawn towards Note number 16 of schedule 25 regarding reconciliation differences in case of short term deposits while preparation of receipt & payment account and reconciliation differences between opening and closing of cash & bank balances. Our opinion is not qualified in respect with such matters

In case of NIELIT Delhi Head quarter audited by us there were following Emphasis of matter

Attention is drawn towards note Number 19 of schedule 24 of its standalone financial statements regarding pending updation of fixed assets register. Further attention is drawn towards note 16 of schedule 24 of its standalone financial statements regarding pending reconciliation with inter center accounts with NIELIT Head Quarter and Further attention is drawn towards note 15 of schedule 24 of its standalone financial statements regarding ongoing process of confirmation with Debtors, Creditors, current assets, current liabilities & loans and advances, which are stated in the books at the value which is Recoverable/Payable. Our opinion is not qualified in respect with such matters

In case of Shimla center, Chandigarh center, Itanagar center, New Delhi center, Ropar center, Shilong center, Chennai center, Srinagar and Jammu center , Calicut center, NPR; emphasis of matter is drawn by their auditors towards certain matters , reference to such reports can be made.

Other Matter

We did not audit the financial statements (referred as returns) of Aizawal, Aurangabad, Calicut, Gorakhpur, Imphal, Sri Nagar & Jammu, Guwahati, Kolkata, Chandigarh, Kohima, Chennai, Agartala, Shillong, Gangtok, Ajmer, Roper, Patna, Shimla, Ranchi, New Delhi & Itanagar, as considered in the consolidated financial statements.

These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these centres is based solely on the reports of the other auditors.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Society Management is responsible for the preparation of these consolidated financial statements in accordance with applicable Law and bye laws for such internal control as management determines is necessary to enable the preparation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing these consolidated financial statements, management of the Society is responsible for assessing the society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether these consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. For the centers we have audited we also carried out following steps (here-in after referred as "additional steps"):

• Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

• Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the society's internal control

• Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

• Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the society's ability to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the society to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

For Centers we did not audit and have been audited by other auditors whose reports have been furnished to us by the Management, accordingly we have relied on such auditors to carry out above mentioned additional steps.

The debtors outstanding relates to even for the Financial Year 2005-06 and before that. During the audit, it has been found that some urgent steps for recovery/monitoring need to be taken which was stressed upon in auditor's report for F.Y. 2017-18 also. However, as the management is of the opinion-that debtors are either from government departments or from public sector undertakings and are recoverable, and which includes existing parties also, so assessment for provision of doubtful debts could not be made.

ii) Grant-in-Aid:

Chandigarh Centre has not maintained any sub-ledgers or separate register for the receipt and utilization of various grants as envisaged under the grant sanction/ disbursement letters.

The amount outstanding as on 31/03/19 is Rs.676.55 Lacs. It includes the amount related to projects already completed. At the time of utilization of grants, these amounts were not appropriated out of specific grants. A relevant adjustment entry needs to be passed so that the amount spent/unspent be shown properly as per the accounting system.

iii) Amount Recoverable:

Work contract tax (WCT) being deducted by PSEB/ PSPCL for long is without any legal sanction. An amount aggregating to Rs.48.58 lacs is reflected as recoverable as on 31st March, 2019.In this respect legal opinion needs to be sought and matter needs to be sorted out on urgent basis to recover the dues.

iv) Security with Government Departments:

Certain old outstanding security deposits made with different government departments amounting to Rs. 6.92Lacs are due/overdue for refund/recovery. Urgent necessary steps being taken for appropriate action in this regard.

v) Balance Confirmation/Reconciliation:

Party Accounts including debtors, creditors, advance received from students and others etc. remained subject to confirmation, reconciliation necessary adjustment consequent to reconciliation. Impact thereof, consequent to the said confirmation/ reconciliation, on the income/ expenditure of the current /previous year(s) and assets/ liabilities, if any, is unascertainable.

As the Centre is working with Govt. Deptts. / Autonomous bodies, so in the opinion of the management, old receivables, which are not provided for or written off, are hopeful of recovery. However, the balances remained unconfirmed as on 31st March, 2019.

i. Amounts aggregating to Rs.3,24,863.10 received during the year from debtors could not be credited to the appropriate debtor's account for want of relevant information. The said consolidated amount has been reduced from total debtors.

ii. NIELIT Shimla has been declared as Independent Centre vide NIELIT HQ Office Order No.SHM (01)2017-NIELIT (Civil)/01/7304 dated 27.12.2018. e)   In case of Srinagar & Jammu

i.   An amount of Rs.4,00,19,633/- being Central Provident Fund Surplus and Interest is credited to the Profit & Loss Account. The same has been explained to the auditor being the previous excess contribution and interest thereon, kept in Fixed Deposit, which is now monitored at the Head Office level. Therefore, the amount being credited to the Profit & Loss Account as the same was found in excess of Liability of CPF due to employees of Society.

ii.   The amount of GST Input Receivables of Rs. 3,42,78,269.22/- which is added to the cost of the project being part of it is shown no longer recoverable. The view has been taken because of the fact that it cannot be recovered from the purchaser i.e. J&K State Govt. as the agreement was made before the commencement of GST Act with J&K State.

f.)   In case of Aizwal

The balance of Duty & Taxes as on 31.03.2019 Worth Rs. 72,61,512/- shown under the head "Current Assets Loans & Advances etc." The nature of such amount in input tax credit arising due to Construction of Building under NECB Project. The matter is to be reviewed.

5. National Population Register (NPR)

(a) Contingent Liabilities:

In case of Chandigarh Centre

i) Arbitration Petition was filed by M/S SREI Infrastructure Finance Limited before the Hon'ble High Court of Delhi at New Delhi. In addition to the payment due to M/S SREI Infrastructure Finance Limited, the MSP has demanded interest @18%. The amount of interest specified in their petition for Zone -61,Uttar Pradesh is Rs 2,32,69,467/- and Zone -62, Uttar Pradesh is Rs 1,79,62,692/- which were under jurisdiction of NIELIT Chandigarh.In addition to the interest amount, MSP is also demanding cost towards renewal of Bank Guarantee.Arbitrator has already been appointed in the case. Mediation proceedings were held on 24.08.2018 & failed. Statement of Defense against the statement of Claim submitted by M/S SREI infrastructure Finance Ltd has been filed by the Respondent i.e. NIELIT. Further proceedings are in process.

(ii) M/s Virgo Softech Limited, New Delhi has filed

Arbitration Petitions for appointment of Arbitrator in respect to agreements signed by M/S Virgo Softech Limited with NIELIT Chandigarh for Demographic Data Digitization of National Population Register (NPR) Project. In the said petitions, the MSP has mentioned about non-applicability of deduction of Rs 3,36,76,262/- made by the NIELIT towards delay in the execution of work and has challenged levy of said penalty on the pretext that that work has been completed by them in time. The Deputy Secretary, MeitY had conveyed vide letter dated 15'th October ,2018 that Ministry has appointed Arbitrator to resolve the dispute between NIELIT and M/S Virgo Softech Limited and the Hon'ble High Court was apprised accordingly. The petitions filed by M/S Virgo Softech have been dismissed by the Hon'ble High Court on 30.11.2018.

In case of Gorakhpur Centre

NIELIT Gorakhpur Centre is respondent in the matter of arbitration between M/s SREI Infrastructure Finance Ltd. and NIELIT before Hon'ble Arbitration Tribunal of Sole Arbitrator against claim of Rs. 7,24,77,407/-

(b) **Current Assets, Loans and Advances:**

In the opinion of the management, the current assets, loans and advances have been stated at the value which will be realised in the ordinary course of business.

(c) Department of Electronics, Information & Technology vide its letter bearing No: FNo7(2)2011-EG-1 dated 05/04/2011 has entrusted the work of Demographic Data Digitisation & Bio-metric data collection for creating National Population Register (NPR) in respect of 17 States & 2 Union Territories. RGI vide its DO No;9/83/2010-CRD(NPR) dated 27.06.2012 has withdrawn the work of Bio-Metric data digitisation from NIELIT.

(d) Office of the Registrar General of India had released an advance of Rs 522.24 crore to the NIELIT for execution of National Population Register Project. Total cost towards Data Digitisation (NPR Project) stands at approx. Rs 569 crore.

(e) The work of Data digitisation has been completed. The last Digitised Data has been handed over to RGI during October, 2013.However, payment to MSP's (Managed Service Provider) could not be made earlier, because NIELIT had imposed penalty as per the terms of RFQ (Request for Quotation) against the bills submitted by MSP's, which was disputed by MSP's. Further the work of LRUR (Local Register of Usual Residents) correction

was also withdrawn by RGI(Registrar General of India). The matter relating to settlement of penalty and LRUR correction cost were taken up before the competent authority of NIELIT. The competent authority had accorded approval, as under:

(i) That the payments be released to MSP's in a transparent and accountable manner after deduction of LRUR correction cost,which has been quantified @ 4.3% of the digitised rate quoted by the MSP's.

(ii) The cost deducted on account of LRUR corrections to be returned back to RGI.

(iii) To revise the agreement signed with MSP's on account of change in the scope of work and also terms and conditions related to payment because of withdrawal of LRUR.

(f) In accordance with the decisions of the competent authority, the cost deducted on account of LRUR corrections have been accounted for under sub head Liabilities-LRUR (NPR) under "Current Liabilities and Provisions".

(g) Interest amounting to Rs 271.15 Crore Earned/ Accrued on unutilised Advance has been earmarked under Liabilities and not accounted for as Interest Income in the absence of guild lines from RGI.

(h) Separate Books of Accounts have been maintained by all the NPR participating NIELIT Centres w.e.f 01.04.2012 in respect of NPR Project & prepared separate Annual Account from the FY 2012-2013.

6. We hereby confirm that the society is not having any amount payable to any party covered under micro, small & medium enterprises as defined in section 7(1) of the micro small & medium enterprises Act, 2006, to the extent such parties identified on the basis of information collected by the management.

7. Debtors & Creditors, loans and advances, current assets and current liabilities are stated in the books at the value which is recoverable/ payable. However, the confirmation from the parties are under process.

8. Figures have rounded off to the nearest Rupee.

9. Previous Year Figures have been regrouped/re-classified, wherever necessary to make it comparable from the parties are under process.

10. During consolidation of various centres, heading/ groups has been re-arranged for better and fair presentation.

11. Only material notes as per the understanding of the management in relation to various centre's audited financial statements have been presented in these consolidated financial statements, for non-material notes a reference can be made to individual centre audited financial statements.

12. NIELIT is in the process of reconciliation of its tax deducted at source with the form 26 AS issued by income tax department for the year ended 31st March, 2019.

13. Prior Period & Extra Ordinary Items:

Ajmer Center

Transaction related to earlier year are shown in Income & Expenditure Account.

Prior Period Expenses   Rs. 1,62,613/- (Ajmer)
                                       & Rs. 9,307/- (Pali)

Prior Period incomes   Rs. 1,97,774.50/- (Ajmer)

14. <u>Events occurring after Balance Sheet Date:</u>

- In accordance with the Office Order No.01(08)2016-NIELIT(Civil)/Vol.VI/9311 dtd. 01.01.2019, NIELIT Chandigarh has shifted its operations from C-134, PUNCOM Building, Phase VIII, Industrial Area, S.A.S. Nagar (Mohali) to Campus at Birla farms, Bada Phull, Ropar (Punjab) in April, 2019, keeping a few activities of UT Chandigarh at hired space of IETE Campus, Sector 30, Chandigarh.

- Further, on a fateful day of 18th August, 2019, Office Building at Ropar was engulfed under the impact of floods damaging Building, Hardware, Furniture & Fixtures, Electrical & Air conditioning equipment & connections, vehicles etc. The Centre is in process of assessing the loss. Therefore, its impact on the Balance Sheet and Income & Expenditure Account is yet to be ascertained.

15. The statutory audit of Pali Extension Centre for the year has been conducted with the audit of Ajmer Centre. The transaction made at Pali Extension centre have duly been merged with NIELIT Ajmer Centre in the financial statement of the Centre from the F.Y. 2018-19.

16. Centers do not follow the streamline policy in preparation of receipt and payment accounts in case of short term deposits resulting into certain reconciliation differences between closing balances of short term deposits appearing in balance sheets and in the receipt & payment account as at 31-3-2019. Further there are certain reconciliation differences between opening and closing cash & bank balances in the Receipt & Payment account as at 31.3.2019.
